## White Cat Underwear FOR MEN

The moment you slip into  
a suit of Cooper's White Cat  
Underwear, you're delighted.  
No kinks, no bagging or  
sagging, no hunches or  
bunches, no discomfort but  
just that snug, warm, cozy  
feeling that stays with you  
till bed time.

White Cat Underwear fits as well after wash-  
ing as before. That's because its made big enough  
and long enough. Winter weights are made of  
wool that keeps you warm on the coldest day.  
Seams double sewed—can't rip. Buttons can't  
come off. Button holes can't get too big. White  
Cat Underwear is right in quality, workmanship,  
fit, durability. And the prices are less than  
charged for inferior goods. Made in Union Suits  
or separate garments, in all weights, sizes and  
grades. There's a grade and size for you.

Arizona Mercantile Co., Tempe, Ariz.

## CLAIMED BY DEATH

Mrs. R. J. Scheppe Died  
Yesterday Morning

FUNERAL THIS AFTERNOON

At the Home at 1:30—Inter-  
ment in the Double Butte  
Cemetery—Family's Sor-  
row Shared by the Entire  
Community.

Tempe and the entire community  
was inexpressibly shocked yesterday  
morning by the death of Mrs. R. J.  
Scheppe, formerly Miss Nona Kings-  
bury, at her home on East Fifth  
street shortly after 7 o'clock. While  
it was known to all that several times  
during the past few weeks her con-  
dition has been rather critical, it was  
generally supposed that after a change  
for the better last week, her condition  
was more favorable, and only those  
more intimately acquainted with the  
circumstances, in any manner appre-  
ciated the seriousness of her illness.  
About seven weeks ago a baby girl  
was born to Mr. and Mrs. Scheppe.  
Mrs. Scheppe recovered from the  
birth of the child nicely and was  
fast regaining her usual strength and  
good health when she contracted a  
severe cold which rapidly developed  
into la grippe with complications. Her  
condition became rapidly critical and  
several consultations of physicians  
were held. There would be frequent  
changes for the better, followed by  
relapses. The early part of last week  
it appeared for a time her hope of  
recovery was excellent and the fam-  
ily was greatly encouraged. On  
Saturday, however, she suffered from  
other severe fever and during the  
night, her condition became most  
alarming. About four o'clock yester-  
day morning she asked her husband  
if he thought she would soon be well  
again and he assured her that within  
the week she would be out of doors  
again. A few hours later, however,  
her heart greatly weakened by the  
sneeze, began to fail her and though  
everything possible was done to stimu-  
late it, it refused to respond and  
shortly after seven o'clock she peace-  
fully passed away. She was con-  
scious almost until the last moment.  
Arrangements have been made to  
hold the funeral this afternoon at  
1:30 at the home. The services will  
be conducted by Rev. R. L. Creal, pas-  
tor of the Baptist church, who also  
officiated at her wedding, less than  
two years ago, and the interment  
will be made in the Kingsbury lot  
in the Double Butte cemetery. Mrs.  
scheppe of Tucson, a sister of Mrs.  
Kingsbury, arrived here yesterday af-  
ternoon.

Her death and the circumstances  
surrounding it are especially  
and distressing. Few young women  
were better known in the valley or  
more highly regarded. She was born  
in Tempe and grew from childhood to  
womanhood here and the sorrow of  
her husband, her parents and other  
relatives is shared by the entire com-  
munity.

### BRIGHT'S DISEASE

Late estimates on the percentage of  
recoveries under the new emollient  
treatment for Bright's Disease are as  
follows:

Where patient is much weakened and  
crises may be expected in from five to  
ten days, probably not more than 10 to  
20 per cent recover. Where physicians  
aid with efforts to restrain fatal symp-  
toms this percentage is increased. In  
cases where patients have from thirty  
to sixty days of life the efficiency is  
very much higher.

Where patients do not wait until  
bed-ridden probably three-fourths  
yield.

And in cases that take the new  
emollient treatment on the appearance  
of the disease nearly nine out of ten  
respond.

Albumen Casts and dropsy do not  
prevent recovery. The point is that  
the renal inflammation should be at-  
tacked before the heart and physical  
system are broken down.

The new emollient treatment is  
known as Fulton's Renal Compound. It  
can be had at all druggists.

We desire every patient to write us  
who is not noting the usual improve-  
ment by the third week. Literature  
mailed free. J. C. Fulton Co., 645

been no falling off in the other  
schools. Miss Lucille Harter won the  
prize in the high school for the high-  
est average in studies for the month  
of November. The 7th grade still  
holds the banner for attendance, not  
one tardy mark of one day's ab-  
sence having been charged to this  
grade for three successive months.

The tabulated report for the month  
is as follows:

### BASKET BALL GIRLS LEAVE FOR HOME

The Departure Yesterday of the  
Young Ladies From Tucson.

The party of Tucson young ladies  
who have been in Tempe for the past  
several days and who participated in  
two games of basketball with the  
normal team, returned yesterday  
morning on the 10 o'clock. The young  
ladies from the university and the  
Tucson high school expressed them-  
selves as delighted with the hospi-  
table treatment accorded by the nor-  
mal girls during their stay here. They  
were quartered at the girls' hall  
and Saturday evening were the guests  
of honor at a delightful social affair  
at the gymnasium.

The game Saturday was between  
the Normal and the Tucson high  
school, the score being 21 to 7 in favor  
of the normal. In the account which  
appeared in yesterday's paper and  
which was telephoned over, the fig-  
ures were transposed, making it read  
21 to 7 in favor of the Tucson high  
school. The normal team showed a  
normal showing a great improvement  
in team work over its previous games.  
The high school girls played a fine  
clean game as did the university  
girls the afternoon before and it may  
be said to the credit of the visitors  
that the normal earned every point  
it made during both games.

The teams lined as follows:  
Tucson high school—Edna Dora  
(Capt.), Myrtle Duffy, forwards; Sad-  
ie Hawk, Ruth Cheyney, guards;  
Helen Campbell, Dora McMillan, cen-  
ters; Agnes Woods, substitute.  
University of Arizona—Madge Edall,  
Sadie Munds, forwards; Mabel Moore,  
Gertrude Catron, guards; Alice Law-  
son, Jane Rider (Capt.), centers; Do-  
ra DeLuce, substitute.  
Normal—Jennie Weedin, Alma El-  
lingson, forwards; Hazel Barr, Lucille  
Morrison, guards; Mary Dunlap, Ne-  
oma Millett (Capt.), centers.

## The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not  
properly digest his food will soon find that his blood has become  
weak and impoverished, and that his whole body is improperly and  
insufficiently nourished.

Dr. PIERCE'S GOLDEN MEDICAL DISCOVERY  
makes the stomach strong, promotes the flow of  
digestive juices, restores the lost appetite, makes  
assimilation perfect, invigorates the liver and  
purifies and enriches the blood. It is the great blood-maker,  
flesh-builder and restorative nerve tonic. It makes men  
strong in body, active in mind and cool in judgment.

This "Discovery" is a pure, glyceric extract of American medical roots,  
absolutely free from alcohol and all injurious, habit-forming drugs. All its  
ingredients are printed on its wrappers. It has no relationship with secret  
nostrums. Its every ingredient is endorsed by the leaders in all the schools of  
medicine. Don't accept a secret nostrum as a substitute for this time-proven  
remedy of known composition. Ask your neighbors. They must know of  
many cures made by it during past 40 years, right in your own neighborhood.  
World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.
